

Happy Holidays from your CDR team!

December 2021

Hello,

It has been a busy and productive 2021 for us and we hope it has been for you too. We are excited to welcome 2022 and are especially thrilled to have hired two experts in the Dry Utility field, to manage and lead our new [Dry Utility Department](#).

We are always looking for great people! Head over to our website to take a look at our [open positions](#), highly skilled professional team members, and adventurous company [culture](#). Join a motivated and supportive team that loves to work hard, and have fun together.

From all of us here at CDR, we send you warm wishes for a happy holiday season and a new year filled with health, happiness, and success!

As always, please [reach out](#) with any of your civil engineering needs.

Regards,

Aaron M. Albertson, P.E., SCDP
